Bartville Harness

To Our Valued Customers,

As we print this catalog, we want to thank each and every one of you for your past business. We will continue to strive to meet your needs in the future. We do all kinds of tack & saddle repairs, new zippers on boots, new billets on saddles, etc. And we wash, repair, and waterproof horse blankets. We stock horse treats, bandages, hairnets, elastic leggings, stock pins, goggles, bits, vetrap, shampoos, hoof dressings, wormers, buckets, fly repellent, fly whisks, dog collars and leashes, racing leather & nylon tack, eventing and fox hunting tack and Horseware horse blankets.

Also in stock: Back on Track, Cashel, Woof Wear (horse boots), Oster, Wahl (clippers & blades), Best Friend Muzzles, Bits, Vac's Bandages Products and a good selection of horse care, grooming, and stable supplies. Please pay us a visit when you're in the area. If there is something you have in mind and it is not in the catalog, tell us what it is and we'll do our best to help you. We are getting hit with tariff tax on hardware & gloves. So, after the first of the year, there will be an increase of pricing on some items.

All custom orders take about 4 to 6 weeks.

Again, thank you for your business and support.
